22) But the present question is to sanction an enhanced and standardised grant-in-aid of Rs 25/- to each of the Hakims and Pandits working under the Mysore City Municipality

23) The Mysore City Municipality have agreed to give effect to the revised scale if a subvention of Rs 4000/- is sanctioned by Govt as was done in the case of ~~the~~ BDs

24) Kind refer is invited to Para 17 of the Note wherein it is stated that the Mysore City Municipality can ill-afford to meet the said recurring expenditure of about Rs 6180/- PA It is also stated that these Pandits and Hakims are actually having private practice ~~also~~ ~~not~~ in addition to some grants given from the DL BD also

25) According to the GO dt 9-9-42 referred to above, subventions are granted only to the DL BDs, in the

State out of the provision made therefor in the State Budget every year.

Para 7 of the GO

26) In the same GO it is stated that the DCs of Dts may forward consolidated proposals for the revision of scales of pay of Hakims and Vaidyas working in Municipalities under them

27) It is not known whether any proposals have been received so far on this respect

28) The Mysore City Municipality is functioning under the President who is of the rank and status of a Deputy Commr His request for the grant of a subvention of Rs 40000/- for the purpose of revising scale of pay of Vaidyas and Hakims (working within Mysore City ML limits) is subd for orders This is a question of additional grants from State funds. The comptr may perhaps be consulted in the matter

Sw

29) The point briefly under Consideration is whether the grant of an addl allowance of Rs 6/- pm to the Ayurvedic Pandits & Hakims in the City of Mysore, (Govt. Proceedings Letter of 12th March 43) merely because mention was made in that letter

Serial No

of a subvention from Govt to raise the pay of Hakeems & Pandits to Rs 25/- pm the two services have now been clubbed together & the opinion of the medical Section has been sought for

V

The Govt order of 9th Sept 1941 refers only to the Ayurvedic & Unani dispensaries in the rural areas of the State, & aims at encouraging the Indigenous System of medicine & at bringing medical relief within the easy reach of the rural population.

2) This order cannot be made applicable to the Hakeems & Pandits in the two cities where medical relief is already provided at Govt Cost. Hence the proposal of the Mysore city Municipality cannot be considered under the existing order of 1942 & hence the Medical Officer is opposed.

3) The Main Question of giving an allowance of Rs 25/- pm to these people the Learned Asst Surgeon, is a matter purely for the consideration of Govt on the Legal Dept.

Sir,

Subject - Grant of allowance to Ayurvedic Pandits and Unani Hakims.

In continuation of this office letter No M5 111-493/42 dated the 13th November 1942 and subsequent letter of even number dated the 27th January 1944 requesting for grant of subvention of Rs 4000 to give effect to the scheme of fixing the scale of pay to Ayurvedic Pandits and Hakims at Rs 30-1-40, I have the honour to state that these pandits and Hakims employed in the Municipality, again represented in August last (1945) that they are great losers in as much as the Government Order of 9th September 1942 has not been given effect to, while their juniors employed in sister departments like District Boards etc , are allowed the benefit of the revised scale They have further represented that on account of the increased costliness of the drugs and other materials they have not been able to comply with the requisite medicines to the patients who come for their advice, in these days of difficulty for their own living on account of the small remuneration They requested therefore that to relieve them of the difficulty at least half the cost of the medicine of (Rs 12/- that other friends of theirs are getting in sister departments) may be granted to them The Managing Committee who examined the question, resolved at their meeting dated 13-12-1945 that (1) the question of graded pay may await receipt of Government orders on the resolution of the Council and (2) that a uniform allowance of Rs 5/- per month be paid to each of the 18 Pandits and Hakims from 1st December 1945 till the dearness allowance lasts and (3) that the grant to the Graduate Pandits and Hakims in cases where it

is less than Rs 25/- be raised to Rs 25/- . The Municipal Council sanctioned the above proposal of the Managing Committee in their resolution No 515 dated 20-12-45 Copies of the above resolutions are enclosed herewith for favour of kind reference

As the grant of the payment of the allowance of Rs 5/- per month mentioned in item No 2 supra requires the sanction of Government as opined by the Auditor, I request you kindly to obtain the approval of the Government for the same . I further request you to obtain and communicate the orders of the Government regarding the grant or subvention also very early, as the matter is pending for a very long time and the inequality in pay and other emoluments among these pandits and Hakims is likely to cause discontent

Subject: Standardisation of the scales of pay etc , of Ayurvedic Pandits and Unani Hakims in the Mysore City.

==

With reference to your letter No L 3820-1/L B 30-42-28 dated 7th October 1942 calling for the opinion of the Municipal Council re the above. I have the honour to state as follows:-

At present there are 17 grant-in-aid institutions in the city of which 12 are Ayurvedic and 5 are Unani institutions The Pandits and Hakims in these institutions are being paid grants ranging from Rs 15 to Rs 25/- p m and the amount so paid out of municipal funds is Rs 4080/- per annum Exkluding 5 Pandits and one Hakim who do not possess the required qualification, there are 7 Pandits and 4 Hakims who will get the benefit of the revised scale sanctioned in G O No L 2845-66/L B 74-40-6 dated 9th September 1942 A statement showing the names of Pandits, their qualifiaation, length of service and grant now given is appended

If the scale of pay etf , sanctioned in the G O is given effect to, the extra cost would work out as below -

7 Pandits and 5 Hakims on Rs 30-1-40 p m	Rs 397-8-0 (average cost)	
11 Peon on Rs 8 each p m	88-0-0	
Cost of Medicine Rs 12 XII each p m	132-0-0	
Total	617-8-0 p m	or
	Rs 7410-0-0	per annum
Deduct amount of annual grant now paid to these institutions	2820-0-0	
Resulting extra cost	Rs 4590-0-0	

The Government Order together with a proposal based on the scales of expenditure prescribed therein was placed before the Municipal Council for consideration In their adjourned meeting held on 5th November 1942, they resolved as under -

"The Municipal Council is agreeable to adopt theabove scale of pay, establishment etc , if a subvention of Rs 4,000/- is given to the council as is proposed to be given to each

District Board

In view of the above resolution and that the municipality has to meet the extra cost when replacing the unqualified men gradually by the duly qualified men, I request you kindly to obtain sanction of Government for making a subvention of Rs 4000/- to the Municipality to enable them to give effect to the above scheme

Subject Standardistation of the scales of pay etc , of Ayurvedic Pandits and Unani Hakims employed by the Mysore City Municipal Council

In continuation of this office letter No M5 111-493/dated 13th November 1942 requesting for the grant of a subvention of Rs 4,000/- to give effect to the scheme fixing the scales of pay of these Pandits and Hakims at Rs 30-1-40 as per G O No L., 2845-66/L B 74-40-6 dated 9-9-1942, I have the honour to enclose herewith the petition received in this office from the Ayurvedic Pandits of the Mysore City and to state as fallows -

It is understood that the several District Boards in the State have given effect to the scheme sanctioned in Government Order referred to above The scale of pay and other charges as provided for therein, have attracted the qualified Pandits working in the city to go elsewhere, the city being depleted of such qualified candidates since the benefits of the new scheme have not yet been given effect to in this Municipality Outof the seven Pandits in the Municiplity, two who were in receipt of a monthly grant of Rs 15/- have already resigned as they were employed by the District Boards In response tothe notice inviting applicatiens to the vacant posts, no application was received The other Pandits and Hakims are also anxiously awaiting to get out as and when they could secure posts in the District Boards

In their pettition enclosed, the Pandits have represented that many candidates who were their juniors in the college were given the benefit of the new scale of pay, while they stagnate in their present position because they are sticking to their jobs They pray that they may be given the revised scale of pay of Rs 30-1-40 and half the cost of the medicines viz , Rs 6/- allowed at least with effect from 1-7-1943 taking into consideration that cost of living has gone very high

and it is difficult for them to pull on with the low grant in these hard days The present financial condition of the Municipality does not admit of extra cost, as the varied rates of dearness allowance sanctioned from time to time to the employees have adversely affected the budget In these circumstances, I request you kindly to obtain early orders of Government to sanction the subvention asked for in order to enable the scheme being given effect to, in the Municipality during the current year

Subject:- Grant of allowance to the Ayurvedic Panchas and Unani Hakims

Sir,

With reference to the correspondence ending with your letter No MS-C 517-124/45-46 dated 15-11-1946, on the above subject, I am directed to state that the payment of any subvention from Government to the Mysore City Municipality for the ~~grant~~ enhancement of the said ~~payment of enhanced grant~~ to the Panchas and Hakims, is not covered by the G.O. No L 2545-66/L 13-74-40-6 dated 9-9-1942 ~~from the Secretary~~

I am to point out that the Panchas and Hakims are not whole-time servants of the ~~Municipality~~ Corporation as they are entitled to have private practice also. They do not also depend

entirely for their livelihood on the meagre scale of grant which they are receiving from the Municipality. Further, some of them have also been receiving grants from the Mysore Dist. Board also.

The financial condition of the Mysore City Municipality is not such as to allow it to meet the extra expenditure of Rs 1080- per annum for respect of the increments of these posts at the rate of Rs 5- each- p.m. as sought by you.

Government therefore, regret that the above proposals of the Mysore City Municipality cannot be sanctioned for the present.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

No L 10653/ml 11-46-106 *Dated Bangalore* 29 1 47

From

The Secretary to the Government of His Highness the Maharaja of Mysore
Revenue Department

To

The President,
City Municipal Council,
Mysore.

Sir,

Subject Grant of allowance to the Ayurvedic Pandits and Unani Hakims

With reference to the correspondence ending with your letter No MJ-[illegible] 917-124/45-46, dated 16th November 1946, on the above subject, I am directed to state that the payment of any subvention from the Government to the Mysore City Municipality for the enhancement of the grant paid to the Pandits and Hakims, is not covered by the G.O.No. L 2845-65/L 3.74-40-6 dated 9th September 1942.

I am to point out that these Pandits and Hakims are not whole-time servants of the Municipality as they are entitled to have private practice They do not also depend entirely for their livelihood on the meagre scale of grant which they are receiving from the Municipality Further, some of these have also been receiving grants from the Mysore District Board also.

The financial condition of the Mysore City Municipality is not also such as to allow it to incur the extra expenditure of Rs.1,080/- per annum for the payment of allowance at Rs 5/- each per mensem in respect of the 18 incumbents of these posts referred to by you.

Government therefore, regret that the above proposals of the Mysore City Municipal Council cannot be sanctioned for the present.

I have the honour to be,
Sir,
Your most obedient Servant,

for Revenue Secretary to Government.
